

Annual Maintenance Record Coupon

Please enclose the following maintenance records identifying the date, description of UNIT, and services performed.

- ☐ Inspect roof and seal roof where necessary.
- ☐ Inspect axles and hub, lube where necessary.
- ☐ Inspect furnace – clean blower, combustion chamber, control compartment (remove any dust, lint, obstructions) as necessary, test gas line for leaks.
- ☐ Inspect hot water heater – flush holding tank, manually operate pressure temperature relief valve, clean burner tube (as outlined by the manufacturer) as necessary.
- ☐ Inspect suspension and lubricate where necessary – grease front and rear suspension components, including, but not limited to, axle bearings, tie rods, control arms, and brake camshaft brackets (motorhomes only).

Warranty Forever® Annual Maintenance Record Coupon

This is a fillable copy of the maintenance coupon. Open it in any PDF reader, type into the seven fields on the first page, and save your own copy before you send it in.

Keeping the coverage

Warranty Forever requires documented maintenance every year, performed by a professional repair facility, with the record filed within 30 DAYS of the anniversary of your agreement date. The contract is explicit that failing to do so voids the coverage.

Send it to NWAN by post (P.O. Box 30308, Cleveland, Ohio 44130), email (RVWarrantyForever@nwan.com), fax (1-440-879-0532) or the "naenwan connect" app. NWAN confirms receipt by email within seven days — if nothing arrives, call 1-800-810-8458. An unconfirmed filing and a missed filing look identical later.

More free RV technician references
