Cover your new purchase with our three (3) year extended parts only contract.

This warranty covers parts only (no labor) against manufacturer defects for an additional three (3) years beyond your original two (2) year warranty. This warranty excludes shrouds, filters and complete air conditioners.

What a great addition to your standard warranty – knowing you have protection for an additional three (3) years should you experience part failure (excluding shrouds, filters and complete air conditioners) on your Coleman-Mach air conditioner. Free replacement parts for three (3) years (excluding shrouds, filters and complete air conditioners) – how can you pass this up!

Apply today by filling out the card on the opposite side and mailing it with your check to Airxcel, Inc., P.O. Box 4020, Wichita, KS 67204. A contract will be sent to you in a few weeks which you should retain with your paperwork for proof of purchase.
