REBELLION™ XD & ROCKERBALL™

Tested. Proven. Safe.

CURT products are thoroughly tested and proven safe to give you confidence for the road ahead.

Our goal isn't just to offer a stronger hitch or a more dependable wiring harness. We want to give you the means to enjoy your lifestyle. That is why we continue to pursue excellence and innovation in our products, maintaining dedicated engineering teams and testing facilities.

Whether you're towing 30,000 pounds or packing up for a weekend getaway, CURT offers you the freedom to pursue your passion and the peace of mind to enjoy every mile of it.

COMFORT. CONTROL. CONFIDENCE.

ROCKERBALL™ TRAILER BALL

The RockerBall™ is a dynamic trailer ball featuring ShockDrop™ technology. It can be bolted onto a standard ball mount to provide increased comfort, control and confidence.

- Reduces shock loads to the vehicle during sudden braking or acceleration
- Minimizes stress on tow vehicle's suspension and brakes for extended longevity
- Anti-swivel base to lock onto ball mount tongue (not compatible with Rebellion™ XD)
- Tested for safety to meet SAE J684 specifications

RockerBall™ sold separately or as a starter kit (includes ball mount, RockerBall™ and anti-rattle hitch pin)

Sold / Installed By

Dampens jerking and jarring from uneven roads for smoother towing

Retrofits most existing ball mounts to improve current towing experience

VIBRATION REDUCTION

Cushioned isolators reduces rattling and vibration for a more comfortable ride
