

S16 5TH WHEEL SLIDER

**EASY-TO-USE
LEVER.**

**AUTO-LATCH
OPERATION.**

**QUIET,
SOLID DESIGN.**

PART# 16564

- Quiet, solid design to eliminate chucking in towing position
- Smooth rolling between positions with no binding
- Easy-to-reach lever arm for ergonomic operation
- 12" rearward movement provides extra turning clearance for short-bed trucks
- 16,000-lb. rating tested for safety in accordance with SAE J2638
- Mount to all industry-standard base rails
- Protected by a highly durable carbide powder coat finish
- Unit comes fully assembled for easy installation
- Limited lifetime warranty (one-year finish, one-year parts)
- Compatible with CURT puck system adapters for Ram #16022 and GM #16023

Key Features

Lever lift motion for user-friendly functionality vs. traditional pull-out style

Automatically latches in both directions so you only have to exit the truck once
