Thanks to a residential look and premium feel the RV cooking experience is elevated. The larger capacity oven with four rack positions and powerful cooktop burners means home cooked meals are on the menu-on the road or in the campground.

Better performance thanks to the "Sealed" burners, higher BTU for better performance, and a bigger oven cavity.

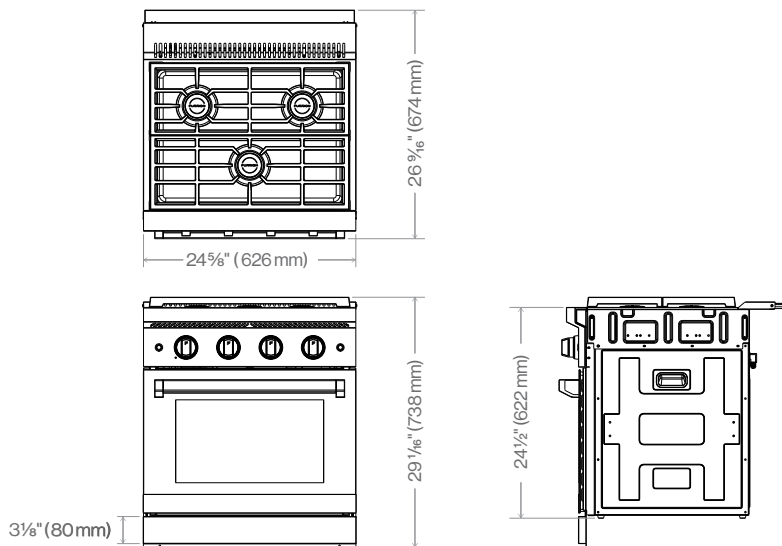

Stainless Steel design with white LED lit knobs for premium look and feel.

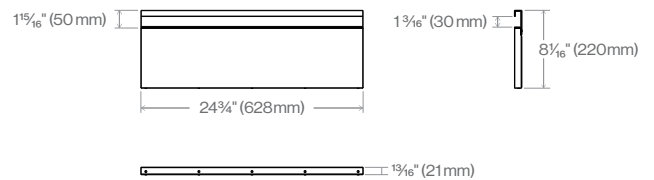

Features

- One-piece design and wanted easier installation
- 3 burners of FFD type (Flame Failure Device) stops the flow of gas to the burner if the flame has been extinguished for any reason.
- Diecast grate provides a durable and high quality grate. It has higher strength than those grate made from welding process.
- Simple Slide-in installation without the need to make custom countertops with cut out.
- Cooktop depth is adjustable to suit a straight cut out easily from countertop that varies from 23" to 24.5" with a 1" max overhang.
- Optional matching drawer front for extra storage beneath RV range
