

FURRION

30 Amp Conversion Kit RV Detachable Power

FCKIT30-PS

30 Amp 125V Fibre filled polyester 3-wire connection inlet conversion kit. This Kit converts your existing non-detachable hard wired cordset into a detachable LED inlet type. Compatible with any other existing cordset brand.

- LED light indicating power present
- Use your existing cordset
- Easier storage for your cable

Powersmart Inlet

30 amp 125v inlet square non-metallic with stainless steel plate

NEW! Powersmart Voltage Indicator

Junction Box

- Used for in-line interior installation
- Heavy duty industrial strength and quality

Exterior Inlet Mounting Ring (may not be required)

- High grade stainless steel with special outdoor white paid coating

Connector

30 amp 125v connector

- Heavy duty industrial strength and quality
- Durable PA body and nickel plated brass pins

Weatherproof Cover

Titanium
series

- Designed for the 30 amp connector for outdoor weatherproof use
- Heavy duty industrial strength and quality
