

32" Furrion Sense™ HD LED All-In-One Entertainment System

All in one.

Furrion all-in-one entertainment system withstands extreme climate and vibration thanks to our Vibrationsmart™ and Climatesmart™ technologies. Boasting 40W (Max) audio power, the built-in soundbar offers immersive sound while the built-in stereo allows you to control 2 zones simultaneously.

Key Benefits

Made for Mobile Living: Vibrationsmart™ and Climatesmart™ technologies allow Furrion Sense™ TV to withstand extreme temperature and to resist the vibrations of bumpy roads. Integrated stereo, built-in soundbar and the High Definition screen offer an immersive audio visual experience.

Powerful sound: The Furrion Sense™ soundbar is discreet in design, yet unforgettable in performance. Powerful audio drivers deliver dynamic sound performance making the entire audiovisual experience every bit as memorizing as it is immersive. Added functions include Bluetooth, wireless subwoofer option and dual-room connectivity for external speakers.

2-Zone independent control: The built-in 4 channel stereo with amplifier let you control the source and volume on each zone independently.
