

50W Furrrion Aurora® 2.0 Outdoor Soundbar

Elevate your Outdoor Sound Experience.

Specially engineered for outdoor listening thanks to IP45 water resistance and a robust housing that protects internal components from rain, snow, dust, insects, humidity, and salt air. Ideal for use in open-air settings, it supports up to 50 W of explosive sound. Take full control of your audio experience with the waterproof remote control and connect your media effortlessly thanks to Bluetooth, RCA, and digital coaxial input.

Key Benefits

Versatility: Specially designed to work with the Furrrion Aurora® 4K LED Outdoor TV, the soundbar comes equipped with Bluetooth® for convenient wireless connectivity.

Made for Outdoor: Durable and outdoor safe, it features an IP45 weatherproof rating and a robust housing that's resistant to snow, dust, insects, and humidity.

Outstanding Sound Quality: Furrrion Aurora® 2.0 Outdoor Soundbar supports up to 50W of power for an explosive sound and a dynamic audio experience whether you are watching sport, your favorite TV show, or streaming music.
