

# Furrion Chill HE 13.5K RV Roof Air Conditioner

FACR13HESA-BL

FACR13HESA-PS

## *Cool, Calm and Collected.*

The high efficiency 13.5K BTU rooftop AC in the Furrion Chill® line keeps you cool and comfortable no matter where your adventures take you. The streamlined, aerodynamic design resists air drag and cuts down on fuel costs while looking modern and chic.

**Powerful, high-capacity compressor** cools RV down faster

**High energy efficiency ratio (EER)** delivers more BTUs per unit of power

**Dual fan motors with optimized speed** for quieter operation and less heat generation

## Features

- Aerodynamic, mid-profile design for enhanced style and better gas mileage
- Durable shroud is securely fastened down to protect AC unit
- UV-resistant finish for increased longevity
- Weather-resistant drip pan to avoid messy streaks
- Single zone with two or three speed fan controllers and multi-zone system options
- Climatesmart™ and Vibrationsmart™ rated resists wear from travel conditions

Specifications

Performance

|                              |            |
|------------------------------|------------|
| Capacity                     | 13,500 BTU |
| EER (BTU/W)                  | 7.1        |
| Outdoor Sound Pressure Level | 80dB       |
| IP class                     | IP24       |
| Refrigerant                  | R410A      |

Electrical

|                       |                   |
|-----------------------|-------------------|
| Volts/Frequency/Phase | 115V / 60Hz / 1Ph |
| Power (Cooling)       | 1,450 Watts       |
| Amps (Cooling)        | 11.2A             |

Features

|                          |   |
|--------------------------|---|
| Eco-friendly Refrigerant | ✓ |
| Rubber Damper            | ✓ |
| Dual Fan Motors          | ✓ |
| Thermo-insulated Heat    | ✓ |

Exchanger Enclosure

|                             |   |
|-----------------------------|---|
| 3 Fan Speeds (High/Med/Low) | ✓ |
| Overload Protection         | ✓ |

Dimensions and Weight

|                                |                                                                                         |
|--------------------------------|-----------------------------------------------------------------------------------------|
| Product Dimensions (W x H x D) | $27\frac{9}{16}" \times 13\frac{9}{16}" \times 34\frac{13}{16}"$<br>(700 x 345 x 884mm) |
|--------------------------------|-----------------------------------------------------------------------------------------|

Packaging

|                                 |                                                                                     |
|---------------------------------|-------------------------------------------------------------------------------------|
| Packaging Dimension (L x W x H) | $28\frac{3}{8}" \times 35\frac{5}{8}" \times 15\frac{1}{2}"$<br>(722 x 906 x 393mm) |
| Gross Weight (lbs/kg)           | 85 / 38.5                                                                           |
| Net Weight (lbs/kg)             | 76 / 34.5                                                                           |
