

GREYSTONE

Restaurant-quality Flat-top Cooking on the Go!

Manufacturer Benefits

- ✓ **High quality and constant innovation -** Greystone griddles deliver on both. Just the latest in a long line of innovative products from Way.
- ✓ **High quality and constant innovation -** The Greystone planchas deliver greater versatility without consuming lots of space. The perfect addition to an upgraded RV kitchen.
- ✓ **Products specifically designed for RVs -** Unique features, large capacity, high power, safe. CSA tested and certified across North America.
- ✓ **Designed to suit your vehicles -** We partner with you to help ensure seamless installation. 12V power connection is all that's needed.

Consumer Benefits

- ✓ **Large cooking surface to feed your whole crew -** 255 square inches of surface area in a compact griddle.
- ✓ **Power and control you don't typically find in mobile cooking -** With output of 10,000 BTUs, you can get the right sear on all your foods. Options with one (HFP 1715) or three (HFP2115) burners give you the precision to cook everything just right.
- ✓ **Multiple cooking plate material options - cast iron or enameled steel -** Grill top also available for that outdoor cooking result inside your RV.
- ✓ **Prepare a meal for the whole family -** Appetizers, main dishes, sides, late-night snacks, and breakfast the next morning. Greystone ovens, cooktops and griddles give you endless possibilities.
