****All Steps listed come with appropriate motor. If you require a replacement motor or motor/control upgrade kit, see [Step Motor & IMGL Linkage Application Chart](#).**

EXCEPTIONAL FEATURES

Strong Safely supports up to 750 pounds

Rugged Heavy gauge steel, powder-coated for a long-lasting finish

Easy to retrofit Bolts into existing step frame hole

Standard Size frame with a 2" deeper drop

Step locks in the out position for usage even with the linkage disengaged.

Cams no longer need to be adjusted to improve rigidity.

Platinum Series Step

You may be able to upgrade your 32 Series Double step with a Platinum Series Step!

Designed with new technology making it the sturdiest step in the industry! Long-lasting durability is a given since this step has been life-cycle tested at 40,000 cycles. It has also received extensive environmental testing to prove it meets with Kwikkee's high standards of performance.
