

STORAGE AND CONVENIENCE

NOTE: Please be advised our frames, bumpers, bike racks, and hitches are warranted for factory-installed equipment by the RV manufacturer only.

The Max Load and rating per the applicable product is referenced below. The weight limit includes all items secured to the bumper including:

- Mounting devices
- Attachment hardware
- Spare tires
- Bikes
- Any load attaching devices

The bumper is not intended for mounting of electric or motorized equipment. Any welding modifications to the bumper will void the warranty. Any aftermarket attachments by dealers or consumers to the bumper area will not be covered and will void the warranty of the bumper area.

4" Bumper - 150 lbs.

Weld-on Hitch Receiver -
300 lbs. tongue weight

Bike Rack Hitch Receiver,
accessory only - 250 lbs.

Pull-out Bike Rack on 4" main rail tube - 150 lbs.
Pull-out Bike Rack on 6" I-Beam main rail - 200 lbs.

Fold-down Bike Rack
8" main rail - 250 lbs.

As a supplier of components to the RV industry, safety, education and customer satisfaction are our primary concerns. Should you have any questions, please do not hesitate to contact us at (574) 537-8900 or by email at customerservice@lci1.com. Self-help tips, technical documents, product videos and a training class schedule are available at lci1.com or by downloading the MyLCI app.
