Purpose

This document outlines the necessary labeling requirements for the Furriion Comfort products. Every product manufactured must have a production label. In an effort to maintain quality and consistency, all law labels will be placed as follows:

AIR CONDITIONERS:

The serial label is found in the air duct and can be viewed by removing the air distribution box shroud and looking through the room air return shown in (Fig. 1).

A/C WALL THERMOSTAT:

Photograph of the part only, item is not serialized (Fig. 2).

A/C CONTROL BOX (SINGLE AND MULTI):

The serial label is found on the front of the control box as shown (Fig. 3).

AIR DIST BOX (MANUAL/ELECTRIC):

The serial label is found on the front of the ADB metal frame under the plastic shroud cover (Fig. 4).

FIREPLACES:

The serial label is found on the backside of the fireplace (Fig. 5).

WATER HEATER:

The serial label is found behind the door (Fig. 6).

NOTE: Once submitted, Lippert may request additional photos to completely understand and fully address the claim/concern.
