AWNINGS

Variant Code Information

The variant code on Lippert products can assist LCI customers in obtaining additional information about the product and its components. On the Solera® Slider, the label will be located on the fabric portion of the assembly. For replacement part information, locate the variant code as outlined below and call LCI customer service at 574-537-8900.

Note: Part numbers are shown for identification purposes only. Not all parts are available for individual sale. All parts with a link to the Lippert Store can be purchased.
