

Purpose

This document provides information on the correct size of standoff(s) offered prior to ordering a bimini kit—2020002226 (Silver) or 2020002227 (Black).

NOTE: Images used in this document are for reference only when assembling, installing and/or operating this product. Actual appearance of provided and/or purchased parts and assemblies may differ.

Ordering

If simply replacing a damaged or missing standoff, measure the size (length) of the existing standoff and compare it to one of the standoffs listed in the Standoff Ordering Chart. Refer to the ordering chart below.

If ordering a new set of standoffs to match a purchased SureShade® Power Bimini kit, refer to TI - 382 SureShade® Power Bimini Standoff Leg Ordering Procedure to determine the length of the needed standoff tube prior to ordering from the Standoff Ordering Chart. Refer to the ordering chart below.
