⚠ WARNING

- The Sway Command system installed on this trailer may be incompatible with certain manufacturers' brake controllers.
- Please refer to the Sway Command owner's manual for a list of brake controllers compatible with Sway Command. The most current list can be found at www.lci1.com/sway. Also, refer to your vehicle owner's manual for any further instructions on your vehicle's brake controller function.
- Failure to determine compatibility between your brake controller, your tow vehicle and Sway Command may result in the sudden loss of brake controller braking, which can result in a loss of vehicle control and cause serious injury or property damage.
