Thomas Payne® Swivel Glider Recliner Aftermarket Manual

Introduction

Thomas Payne® furniture comes shipped partially assembled. Additional information about this product can be obtained from www.lci1.com/support or by downloading the free MyLCI app. The app is available on iTunes® for iPhone® and iPad® and also on Google Play™ for Android™ users.

iTunes®, iPhone® and iPad® are registered trademarks of Apple Inc. Google Play™ and Android™ are trademarks of Google Inc.

Installation

Moving parts can pinch, crush or cut. Keep clear and use caution.

1. The seating comes with the back laying on top of the seat cushion (Fig. 1).

Fig.1

2. Lift the seat back and align with the brackets on the seat base (Fig. 2).

Fig.2

Fig.3

3. Slide Inset A down over the bottom brackets on the seat base (Fig.3). The seat back is fully installed when the clips on the seat back click into place.

4. Locate the connections at the lower right corner of the seat back and attach the power cord provided (Fig. 4).

Fig.4

5. Attach the connections for the recliner remote, which are also located at the lower right corner of the seat back (Fig. 5).

Fig.5

6. Plug in power after all pieces have been assembled and electrical connections have been made (Fig. 6).

Fig.6

7. The heating system in the recliner's seat is controlled by the remote. To enable the heating system, press "ON" and choose from a "HIGH" or "LOW" setting. To disable, press "OFF" (Fig. 7).
