RENOGY Wall Mount System

2775 E Philadelphia St, Ontario, CA 91761
1-800-330-8678

Important Safety Instructions

Please save these instructions.

This manual contains important safety, installation, and operating instructions for the Renogy Wall Mount System. The following symbols are used throughout the manual to indicate potentially dangerous conditions or important safety information.

 **WARNING:** Indicates a potentially dangerous condition. Use extreme caution when performing this task.

CAUTION: Indicates a critical procedure for safe and proper operation of the system.

NOTE: Indicates a procedure or function that is important to the safe and proper operation of the system.

General Safety Information

- Read all of the instructions and cautions in the manual before beginning the installation.
- Do **NOT** attach solar panel to pole mount until mount is securely fit, and pole base has been secured.
- Chance to strip nuts and bolts exists.
- Multiple people for installation is suggested.
- Do **NOT** substitute parts from other manufacture ring sources, doing so may void the warranty and/or result in an unstable system
- This system is **NOT** possessing any compliance with residential structural codes and should not be used in place of a system that is, if so required by local regulations

Installer Responsibilities

- Installation compliance with any applicable codes which are in force at the installation site
- Installation compliance and compatibility with all system components and the environment including but not limited to roofing, system components, etc.
- Verification that all project information is accurate

WARNING: This equipment should be installed, adjusted, and serviced by qualified electrical maintenance personnel familiar with the construction and operation of the equipment and the hazards involved. Failure to observe this precaution may result in bodily injury. Protective gloves and safety glasses should be worn during installation.

General Information

The Renogy Wall Mount System is designed for off-grid applications, when mounting on a roof is not applicable. It supports Renogy solar panels up to 50W. The system comes complete with all fasteners to secure the system to the installation surface. This system makes the installation of small solar systems easy, affordable and quick.

Key Features

- 5052-H32 aluminum construction
- Stainless steel fasteners
- High-tensile strength
- Corrosion Free
- Attractive brushed aluminum finish
- Precision hole positioning and alignment
- Easy, rapid assembly
- Well-illustrated instructions

Identification of Parts

Image	Component	Quantity
	Tilt Arm (A)	1
	Fixed Bracket (B)	1
	M8 T-Bolt (C)	8
	M8 Washer (D)	12
	M8 Spring Washer (E)	8

	End Clamp (F1)	2
	End Clamp (F2)	2
	M8 Nut (G)	8
	Hose Clamp (H1) 2.6 to 3.5 in.	2

	Hose Clamp (H2) 3.3 to 4.3 in.	2
	Hose Clamp (H3) 4.1 to 5.0 in.	2
	Expansion Bolt (I)	2

Table 1

Installation

Recommended tools to have before installation (Not provided):

- Socket wrench
- Torque extension
- Box-Leveler
- Tape Measure
- 18mm wrench or socket for larger hex nut
- 13mm wrench or socket for smaller hex nut

The above tools and equipment are highly recommended to have available to assist with installation but are in no way a comprehensive list of tools that can ease installation. Installers feel free to substitute comparable equipment where appropriate.

Attach the Fixed Bracket and Tilt Arm

Figure 1

Figure 2

Figure 3

Note: M8 Washer (D) and M8 Spring Washer (E) are essential parts when tightening M8 Nut (G), over tightening may damage parts

Note: Adjust tilt arm (A) and fixed bracket (B) to desired angle prior to tightening M8 Nut (G)

Figure 4

Attach the Panel to the Wall Mount

Figure 5

Figure 6

⚠ WARNING! Keep hands clear of pinch points!

Figure 7

NOTE: This is what the clamp should look like when it is fastened to the panel.

[Install the Wall Mount on Wall](#)

Figure 8

NOTE: Please check the direction of Fixed Bracket (B) prior to installation.

Figure 9

NOTE: Please use proper tool for this installation. Installation process may require assistance.

Install the Wall Mount on Pole

Figure 10

NOTE: Please check the direction of Fixed Bracket (B) prior to installation. Choose appropriate Hose Clamp (H) size for installation.

NOTE: Please use proper tool for this installation. Installation process may require assistance.

Wall Mount Dimensions

Tilt Arm (A)

Fixed Bracket (B)

NOTE: Dimensions in inches.
