Model No. XR17200

- Slide-In Design
- Customer-Defined Features:
 - Grill flush to counter
 - 2-Burner Cooktop
 - Increased burner distance from rear wall
- Two Gas Cooktop Burners
 - 6,500 BTU and 9,000 BTU
- Gas Oven Burner
 - 7,100 BTU
- Stainless Steel Door Handle
- Cast Iron Cooktop Grate

CSA Approved!

Customer-preferred quality means more for your money – and having what were once custom features now being standard, including: the flame-failure shut-off safety feature, a convenient Piezo oven ignition, sealed burners and a premium Cast-Iron Grate. The two burners away from the rear of the cooktop gives you a more flexible installation.

Model No. XC200

- Slide-In Design
- Customer-Defined Features:
 - Grill flush to counter
 - 2-Burner Cooktop
 - Increased burner distance from rear wall
- Two Gas Cooktop Burners
 - 6,500 BTU and 9,000 BTU
- Cast Iron Cooktop Grate

Thetford 17" Oven/Cooktop

Features	Competitive Advantage
Oven can be flush mount	The vehicle's countertop cutout can be recessed so that the Thetford oven and grate are flush with counter surface.
Counter space increased	The Thetford grate provides 2.5+ square feet of additional countertop space.
No extra components required to cover the cooktop	Competitor covers must be purchased separately, increasing cost and parts.
Burner grate rattle eliminated	Thetford's cast iron grate is mounted so that it does not rattle during coach travel. The competitive grate has an annoying rattle during vehicle motion.
High-quality metal handle	Projects a much higher-quality look and feel. Competitive handles are molded as part of a plastic door cap.
High end concealed control knobs	Valve stems are visible on competitive units and spills can enter control area around valve stems.
Cleanability	Spills cannot easily enter below burner heads on Thetford model. The competitive opening is much larger and not sealed.
