

## ➤ Backcountry ski gear list

Get ready to go off-piste!

|  |                                                                 |
|--|-----------------------------------------------------------------|
|  | Helmet                                                          |
|  | Multitool                                                       |
|  | ABS ski backpack (avalanche airbag backpack)                    |
|  | Shovel                                                          |
|  | Avalanche transceiver / beacon or both                          |
|  | Probe                                                           |
|  | First aid kit                                                   |
|  | Cellphone (or radio if you won't have phone reception)          |
|  | Portable cellphone charger                                      |
|  | Skins                                                           |
|  | Map (paper or digital, paper map is good for backup)            |
|  | Extra down jacket (in case you get stuck and need to stay warm) |
|  | Sunglasses                                                      |
|  | Emergency blanket                                               |
|  | Water                                                           |
|  | Snacks                                                          |
