

040-0300
Non-Metallic
Push Button Handle

This handle was specifically designed for off-highway vehicle applications that require a surface mounted exterior push button handle. It offers robust construction and ergonomic function in a rugged engineering grade plastic.

- Off-highway applications -- construction, mining, agricultural
- Outside latch release

FEATURES/BENEFITS:

- Friction less push button seal
- Flow through self-cleaning design
- Readily adaptable to a variety of door thicknesses with a 1/4" adjustable diameter cap screw
- Mounts against glass with only two holes (see next page)
- Available keyed alike or keyed random
