

040-1400 Push Button Center Control

This new product is a redesign of our popular 040-0400 Push Button Center Control for lift gates, access panels, compartment and baggage doors. It features KeyOne™ Plus keying in a push button actuation and a two point bellcrank linkage.

- Designed for toppers, lids and access door thickness up to 1/4" (6.35mm)

FEATURES/BENEFITS:

- Push button actuation versus typical twist action
- Durable and weather resistant construction
- Ergonomically shaped finger pull
- Housing flange gasket, push button o-ring and shuttered keyplug for reducing water and dirt infiltration
- Bypass lock mechanism allows push button to free-travel when locked for added security
- Lock can be keyed to match other TriMark door products with KeyOne™ Plus for a single-key system, keyed alike or provided non-locking
