

060-1300 Flush Mount Security Latch

This redesigned security lock is intended for recreational vehicle entrance doors including motor homes and travel trailers where it is advantageous to use a remote mounted security lock. It features a serviceable KeyOne™ Plus lock cylinder, is power lockable and provides for easier installation.

DESIGNED FOR:

- Entrance door applications in travel trailers and motor homes with thicknesses of 1-1/2" (38.1mm) to 2-1/2" (63.5mm)
- Applications where it is desirable to use a remote mounted security lock
