

100-5020
**TriGuard Heavy - Duty
Slimline Hardware Module V2**

TriMark®

This heavy duty, pre-engineered door module was updated to provide expanded functionality. Providing automotive-like functionality in a low profile, easy to install one-piece module, it is now available with a rotating lever exterior handle and a second remote latch. Featuring TriMark's 050-1600 Heavy Duty Latch, it allows power locking and is compliant to FMVSS 206 (ECE R11) strength requirements.
