

590-1200 PKE Antenna

This PKE antenna is compatible to work with TriMark's Passive Keyless Entry Systems to allow hands-free unlocking and enable keyless start/immobilization of the vehicle ignition. The sealed construction allows for both interior and exterior mounting and custom mounting brackets and wiring harness allow application flexibility.

DESIGNED FOR:

- Designed for emission of an LF field (125 KHz) to allow hands-free access and secure keyless start
