EDITION 35 JANUARY 2020

ConExpo is North America's **LARGEST** Construction Trade Show and *TriMark will be there!*

TriMark is exhibiting at ConExpo March 10th – 14th in Las Vegas, NV. We would like to invite you to the **Bronze Hall, Booth B-92412** to see why TriMark is the leading global door solution provider offering Global **Reach**, Global **Support** and Global **Supply** of access door systems. ConExpo is held every 3 years in Las Vegas and is North America's largest construction trade show representing earthmoving, lifting, mining, asphalt, aggregates, concrete, utilities and related industries. Featuring big iron and technology, on display will be tons of new products, thousands of equipment, headliners and industry-driven innovations.

We are excited to show our latest electronic passive keyless entry, keyless start and immobilization products. We are also showcasing several new door and window access products as well as our industry leading handles, latches, linkages, hinges and complete door access systems. Additional product information will be shared as we get closer to the show, so make your plans now to attend this major event.

If you would like to see a full demonstration of TriMark products or would like to discuss your specific applications, please fill-out the contact information below or contact Kevin Roths, Director of Global Sales at tips@trimarkcorp.com to set-up an appointment.

We hope to see you there.
