

Hinges Standard to Custom

TriMark®

TriMark designs and manufactures standard and custom hinges for world leading companies in the agricultural, construction, transportation and specialty vehicle markets. Our experience and capabilities allows us to produce industrial hinges in plastic, die cast zinc, steel and stainless steel materials to suit light, medium and heavy duty applications. TriMark's products include leaf/butt, four bar and barrel hinges with features such as free-swinging, positioning/detent; lift-off, articulated travel and dampened functionality.
